

Aid Data of Countries:Project 2 Viz - 2

Aid Data

Visualization 2: Focusing on the purpose of the transaction. a) What are the top 10 purposes of disbursements (in terms of total amount of disbursement) and how does their amount compare over time?; b) Are there purposes that have a much higher/lower total amount among the top 10?; c) Are there purposes that show an increasing or decreasing trend (in terms of amount of disbursements) over time or that have sudden peaks or valleys?
